○ Other

Brief Project Description *

Long answer text

Number of Students involved in Project *

○ 1-50

○ 51-100

○ 101-250

○ 251-500

○ 500 or more

Estimated Project Start Date

Month, day, year   📅

PROJECT DETAILS

Provide project details below. Please limit each answer to about 800 words.

Project Description: Please describe the project, including the overall objective, the activities that will take place, and who will benefit. *

Long answer text

Need/Rationale: Please describe the educational need for this project based on evidence within the school or published literature. What areas of the curriculum will the project enrich or enhance? How is the proposed project related to the current (or anticipated) curriculum in the district? *

Long answer text

Sustainability: Will this grant be used past the completion date of this school year? *

○ Yes

○ No

Sustainability: Will this project be able to be used by other colleagues? *

○ Yes

○ No

○ Possibly

Evaluation: What is the primary method that you will use to evaluate the success of your grant? *

- [ ] Student feedback (including quotes and surveys)

- [ ] Observation of student behavior change (including anecdotal evidence)

- [ ] Improvement in academic performance

- [ ] Increased classroom engagement

- [ ] Other…

Evaluation: How will you share the results of the project with other colleagues within the district? If appropriate, discuss how this project can be reproduced in other classrooms or expanded to other grade levels. *

Long answer text

Expenses & Budget: Present the budget for this project, including a detailed list of all expenses. Create a single document or PDF that includes ALL of the following information for each item to be purchased: a detailed description of the item, quantity of item, cost per item, S&H (per item or total), and vendor. You are encouraged to link to website pages and/or include pictures of items if they are available. (Note: All vendors must be SDOC approved and funding cannot be increased after the grant is awarded.) *

ADD FILE

Does any part of your budget request include a technology purchase? *

◯ Yes

◯ No

SUBMISSION

By submitting this grant application, I understand the following:

It is my responsibility to notify my school principal, the relevant curriculum supervisor, and the director of technology (if applicable) about this grant submission. They will be asked to indicate their approval electronically; questions about the approval process can be directed to Karen Chase, Assistant Superintendent of Curriculum and Instruction.

All grant funds must be expended on the approved project within the current school year. If the project is canceled or materially changed, the funds must be returned to CEF.

Any changes in scope of project or expenditure of grant funds must be approved by the CEF Board of Trustees in writing and in advance.

All materials, equipment and supplies purchased with CEF grant funds become the property of the School District of the Chathams and should be stored at the school where the project takes place.

If I leave the school to which this grant is linked, any and all material associated with this project will remain at said school.

CEF has the right to publicize and share the grant project in media outlets and/or with other educators within the district.

I am required to submit a Year-End Grant Report that will describe the grant project outcomes, show expenditure of funds, and include photos that showcase the grant in action by the date stated in the grant acceptance letter.

Please type your full name below to indicate your understanding of all the points outlined above. *
