

April 2021

Dear Friends and Neighbors,

During a year like no other, we give thanks to the community for support of our schools, teachers and students.

Chatham Education Foundation has funded grants that provide solutions to both immediate real-world problems and future-focused educational initiatives. Grant awards recently funded include “All are Welcome Here: Creating Inclusive Literacy Classrooms with Books” across K-3 schools and “Chatham Middle School’s Community Social Justice Read.” Grants have also provided an outdoor learning space at Milton Avenue School, technology to engage students both in and out of the classroom, and clear masks for teachers to help create a safe learning environment. Additionally, a “Ready Readers” grant funded high interest books, including take-home copies for struggling readers at all K-3 schools.

Our new **Reach Higher for Educational Excellence** endowment campaign offers donors seeking a long-term impact two gift options (as long as matching funds last).

- Pledges paid over a five-year period will be **doubled** (minimum \$4k/year including company matches).
- Unrestricted pledges paid over a two-year period will be **tripled** (minimum \$10k/year including company matches).

Thank you to all of our donors for making grants possible. We invite you to learn more about these grants and what we do by visiting us at [www.chathamedfoundation.org](http://www.chathamedfoundation.org). For additional information on how to give, please contact us at [info@chathamedfoundation.org](mailto:info@chathamedfoundation.org).

Sincerely,  
Chatham Education Foundation
