

"Chatham Education Foundation is a game changer, transforming education in our district. The grants have made kids excited about learning. One grant helped students to create and share TED Talks about the things that they care deeply about; students of all levels see that their voice matters and people care about what they have to say. Another grant turned reluctant readers into avid readers by providing more than 200 diverse books for our classroom library. I couldn't do the work I do without you. Thank you so much!"

Literacy Grant to CHS

"I love the selection of books. They let me see the world through a new set of eyes, teach me life lessons, and show me the real world and what life is like outside of Chatham."
- Fiona, CHS student

Creative Spaces Grant for Adjustable Height Desks at LAF

"Thank you so much for purchasing these awesome new desks. I like them because I can put it at the height that I like it at. The privacy folder really helps me focus when we are working on an assignment."
- Diego, LAF student

Books to Bloom Social/Emotional Learning Grant at SBS

"Our elementary students are so connected to literature and the characters in the books that we read. We believe that it makes perfect sense to utilize picture books to help them connect to social-emotional skills. Having the books read at all grade levels will give students a common experience and shared language for the entire school!"
- Kelly Medvin, School Counselor; Katie Jackameit, First Grade Teacher and Holly Izsa, 3rd Grade Teacher
